Chili Supper

Mr. Minge suggested we save the seat cushions for football games rather than selling them now.

Mr. Minge report

Mr. Minge approached administration regarding course revisions for marching band/color guard programs to include ½ credit. Due to a recent bill signed by Governor Taft, course revisions may be affected by our request.

Marching band uniforms are in production, and will also include a field commander uniform.

Successful Sales

Cathy reported that novelty sales, scarves, and sweatshirts are selling well.
