

East Clinton Band boosters
June 5, 2006

Present: Kathy Keltner, Cathy Jones, Susan Thompson, Sue Reynolds

Kathy asked for a treasurer's report. Susan reported that

\$300 received from Leesburg Federal

\$6800 was donated by Brian Bourgraf in Cathy Murphy Bourgraf

Susan reported that Mr. Bourgraf expressed a concern over the care of the new uniforms, and that he would like the donation recognized somehow in his wife's name. Susan suggested we mention the donation in the football program. Susan also suggested we monitor the care of the uniforms more closely, and that adult supervision may be required when returning uniforms to the band room.

Sue will send a thank you note to Mr. Bourgraf for the donation. The donation will pay for pants and hats.

Cathy Jones asked for clarification on the role of band boosters. Discussion followed. Boosters are to raise funds to support the band program. Susan Thompson raised the issue of students attending the Kings Island trip that did not pay the fees. She asked who was tracking this information. Students that did not pay need to be invoiced.

Susan Thompson also brought up the importance of having a lockbox, as Mr. Minge suggested. Kathy will provide.

Susan Thompson will check on bylaws to copy from. Sue Reynolds will also check Webster's band booster bylaws.
