

Band Booster meeting  
March 20, 2006

Present: Kathy Keltner, Sue Reynolds, Cathy Jones, Susan Thompson.

Bingo:

Kathy Keltner reported on the food for the bingo and she is asking parents to donate prizes. A letter will go out to students this week for food and prize donations. Prices for the menu were discussed. Parents and teachers have volunteered to help during the event. Volunteers are asked to arrive at 4:30 to help make sandwiches and organize the prizes.

Sue reported that a flyer was sent home to both elementary schools and the middle and high school. The high school flyer included the sweatshirt order form. She has updated the web site with the calendar and the minutes.

Easter breakfast:

The breakfast is scheduled for 9 -12 on April 8. Egg hunt is at 11:30. Breakfast will be pancakes, sausage, orange juice, coffee, tea and milk. Supplies will be purchased rather than donated. Cathy Jones has records of the amount of supplies needed.

Sue reported another fund raising opportunity. GOBA, the Great Ohio Bicycle Adventure, is coming to New Vienna for a lunch stop. Approximately 3000 bicyclists will stop needing food and drink. The New Vienna Planning Committee has asked the boosters to provide the drinks. Boosters will need approximately 2000 drinks, including pop, Gatorade and fruit drinks, to sell during the event. Drinks will sell for \$1.75. The committee agreed to participate.

Sue gave the group a draft of a letter she will send out for a uniform drive, to be mailed this spring. She also gave the group a copy of the current mailing list and asked for input before mailing.

Sue also described a fund raiser offered by Biggs in Cincinnati. Parents bag groceries for tips. She will find out details.
